Chammas & Marcheteau advises the founders of Millenium on Capital Croissance's entry into its share capital (Cleaning/Events)

Chammas & Marcheteau advised the founders of Millenium, Alexis Guigaz and Cyril Jagoury, on the investment by Capital Croissance, which has become a minority shareholder in the company. The founders are reinvesting and remain the majority shareholders of the group, while UI Investissement and Esfin Gestion, shareholders since 2023, are selling their stake.

Founded in 2000, Millenium is a leading player in event cleaning in the Île-de-France region, operating at major trade show and event venues, and has diversified since 2012 into premium commercial cleaning. Strengthened by the acquisition in September 2026 of AMG Services, a specialist in shopping center cleaning, the group now has more than 1,500 employees and operates each year at more than 500 trade shows and event venues and over 400 commercial sites.

This partnership will enable Millenium to consolidate its positions in its historical markets, strengthen its presence in premium commercial cleaning and pursue its geographic expansion across France, through both organic and external growth.

The **Chammas & Marcheteau** team consisted of **Pierre-Louis Sévegrand** (partner) and **Sandie Dion** (associate) on transactional aspects, and **Christophe Moreau** (partner), **Hugo Hamet** and **Ambre Francisco** (associates) on tax structuring aspects.

Capital Croissance was advised by the law firm **Ooslo**, and the banking pool, comprising LCL, Société Générale and Crédit Agricole, by **Cards Avocats**.
