

**Chammas & Marcheteau advises Raise Ventures,
in the €3.5 million seed round of financing of Kor (Health/Technology)**

Chammas & Marcheteau advised Raise Ventures, via its Seed For Good vehicle dedicated to responsible tech, in the €3.5 million seed round of Kor, alongside Ventech, Evolem and business angels.

Founded in 2023, the French start-up Kor is developing a healthcare platform that helps companies to look after the physical and mental health of their employees, via a new generation of check-ups based on the latest scientific innovations.

This funding round will enable the young company to accelerate the deployment and development of its platform, and to recruit to double its workforce.

The **Chammas & Marcheteau** team consisted of **Denis Marcheteau** (partner), **Romain Penloup** and **Mathilde Marty** (associates).
