

**Chammas & Marcheteau advises FnB Private Equity on
its affiliation with UI Investissement**

Chammas & Marcheteau advised FnB Private Equity on its affiliation with UI Investissement.

Founded in 2017, FnB Private Equity supports the growth of agri-food SMEs and mid-sized companies. The firm advises two investment vehicles – FNB I (2017) and FNB II (2022) – currently invested across seven active portfolio companies, representing nearly €200 million in assets under management.

Through this transaction, FnB Private Equity will enhance UI Investissement's expertise, already established in the agri-food sector. By joining a larger investment team, FnB Private Equity will benefit from the resources of an enlarged investment platform, an expanded regional footprint, and new growth opportunities arising from ongoing structural transformations in the agri-food industry.

The **Chammas & Marcheteau** team consisted of **Christophe Sevennec** (partner), **Duygu Keles** (counsel) and **Pauline Halgrin** (associate) on regulatory aspects, and of **Christophe Moreau** (partner) and **Franck Hallel** (associate) on tax aspects.
