**Chammas & Marcheteau** advised Iris Capital on Jedox's \$100 million-plus fundraising, alongside Insight Partners, eCapital and Wecken & Cie. This new financing will allow Jedox to expand its customer base and global presence while improving the strength of its platform.

Jedox, based in Germany, provides an Enterprise Performance Management (EPM) solution for planning, analysing, reporting and optimising value-generating business processes. For finance, sales, human resources, marketing and purchasing functions, Jedox offers a clear and shared representation of relevant financial and operational data for all departments within a business. By implementing Jedox's integrated EPM solution, departments can optimize their work together to develop strategic and operational plans, as well as measure, monitor and constantly improve processes.

The **Chammas & Marcheteau** team was composed of partner **Denis Marcheteau** and associate **Romain Penloup**.
