

**Chammas & Marcheteau advises Supernova Invest, Otium Capital and Crédit Agricole
Création in the €10 million fundraising of ProovStation
(Deeptech & Industry)**

Chammas & Marcheteau advised Supernova Invest, a pioneer and leader management company in deeptech investment, lead investor alongside Otium Capital via its Industrie fund, and Crédit Agricole Création, in the €10 million fundraising of ProovStation.

Founded in 2018, Lyon-based start-up ProovStation is the European leader in Artificial Intelligence-assisted automotive inspection solutions. It is the originator of the first automotive scanner that fully automates the vehicle inspection and evaluation process in 3 seconds. This round of financing will enable the company to confirm its role as a pioneer and to establish itself internationally as a key player in the second-hand vehicle market.

The **Chammas & Marcheteau** team consisted of **Lola Chammas** (partner), **Arys Serdjanian** (associate) and **Dounia Benazza** (associate).
