

**Chammas & Marcheteau advises Iris and Axeleo Capital
in the €3.2 million fundraising of Cohort (Digital/SaaS)**

Chammas & Marcheteau advised Iris and Axeleo Capital in the 3.2 million round of financing for Cohort, with the participation of Kima Ventures, 3founders and business angels.

Founded in 2022, Cohort is a startup specializing in the development and commercialization of a B2B SaaS software based on NFTs that aims to improve the relationship between brands and their communities. This round of financing will enable the company to accelerate its sales expansion in France and abroad and grow its product and tech teams.

This round of financing was led by Iris, a European venture and growth firm specialized in technology, alongside Axeleo Capital, a European venture capital fund backing startups from pre-seed and seed.

The **Chammas & Marcheteau** team consisted of **Denis Marcheteau** (partner), **Romain Peloup** (associate) and **Jeanne Cormerais** (associate).
