

**Chammas & Marcheteau advises Bpifrance
in the €6 million fundraising of TEMO (Nautical industry)**

Chammas & Marcheteau advised the Ecotechnologies 2 fund, managed on behalf of the French government by Bpifrance as part of France 2030 programme, in TEMO's €6 million Series A financing round, led jointly with the American fund At One Ventures, alongside business angels.

Founded in 2018, TEMO is an innovative French specialist in electric motors for boats.

This funding will enable the company to develop its range of electric propulsion solutions and help turn the recreational boating sector carbon free. The funds raised will also enable the motor manufacturer to step up its international presence, particularly in the United States.

The **Chammas & Marcheteau** team consisted of **Stéphanie Bréjaud** (partner), **Jeanne Cormerais** and **Vincent Lopez** (associates).
