

**Chammas & Marcheteau advises Bpifrance and Safran Corporate Ventures in the €15 million fundraising of Greenerwave (Electronics/Information technology)**

---

**Chammas & Marcheteau** advised Bpifrance and Safran Corporate Ventures in Greenerwave's €15 million funding round alongside BNP Paribas Développement and the companies Intelsat and Plastic Omnium.

Founded in 2015, the deeptech company Greenerwave is developing an antenna for monitoring 5G electromagnetic waves and radar.

This investment will enable Greenerwave to strengthen its R&D capabilities and realize its vision of sustainable connectivity, with a first product in sight for the end of the year.

The **Chammas & Marcheteau** team consisted of **Lola Chammas** (partner), **Romain Penloup** and **Julien Delacroix** (associates).
