

**Chammas & Marcheteau advises Epopée Gestion and Newfund in the
€3 million fundraising of Greenscope (SaaS/ESG)**

Chammas & Marcheteau advised Xplore by Epopée Gestion, and Newfund in the €3 million fundraising of Greenscope.

Founded in 2022, the Greenscope greentech helps companies and financial institutions structure their CSR approach with a SaaS platform and CSR/ESG consulting services. This funding will allow the start-up to treble its number of partners and continuously improve its tool.

With this new financing, Greenscope plans to triple its revenue thanks to the forthcoming launch of several new enterprise services and the opening up of new European markets, as well as accelerating the development of new functionalities based on automation and artificial intelligence.

The **Chammas & Marcheteau** team consisted of **Jérôme Chapron** (partner), **Agathe Delforge** and **Jeanne Richard** (associates).

Greenscope was advised by **Squair**.
