

**Chammas & Marcheteau advises Raise Ventures  
on the €3.3 million fundraising of Norwegian company Lightsonic  
(Software/Infrastructure)**

---

**Chammas & Marcheteau** advised Raise Ventures, co-investor alongside Sondo, on the €3.3 million seed fundraising round for Norwegian start-up Lightsonic, led by Maki.vc.

Founded in 2024, Lightsonic is a pioneer in software using fiber optic sensing technology to provide real-time, high-resolution monitoring of infrastructure such as water and gas transport networks, telecommunications networks, energy networks, and subsea installations.

This financing will enable Lightsonic to develop intelligent monitoring solutions that improve the sustainability, resilience, and safety of water services and critical infrastructure.

The **Chammas & Marcheteau** team consisted of **Denis Marcheteau** (partner) and **Romain Penloup** (counsel).
