

**Chammas & Marcheteau advises advises Supernova Invest on  
Expliseat's €36 million fundraising (Aeronautics/Sustainable Mobility)**

---

**Chammas & Marcheteau** advised Supernova Invest on its entry into the capital of Expliseat, as part of a €36 million fundraising round carried out alongside Crédit Mutuel Innovation, Swen Capital Partners and historical investors Bpifrance, NCI, Go Capital and BNP Paribas Développement.

Founded in 2011, Expliseat designs and manufactures ultra-light aircraft seats made of titanium and composite materials, thereby meeting the challenges of decarbonising air transport.

With this new funding, Expliseat intends to accelerate its industrial and commercial development, strengthen its international activities, notably in North America, and expand its offering to other sectors such as rail and electric buses.

The **Chammas & Marcheteau** team consisted of **Lola Chammas** (partner), **Romain Penloup** (counsel) and **Bradley Alet** (legal expert).
