

**Chammas & Marcheteau advises Turenne Santé on
Ventuno Biotech's €3M seed financing (Biotechnology/Healthcare)**

Chammas & Marcheteau advised Turenne Santé in connection with Ventuno Biotech's €3 million seed financing, which includes a €2 million equity investment led by Octalfa alongside Relyens Innovation Santé advised by Turenne Santé, with the participation of business angels.

Founded in early 2025, Ventuno Biotech is a French biotechnology company developing innovative immunotherapies aimed at stimulating antitumor immune responses to treat cancers that are resistant to current therapies.

This financing will enable Ventuno Biotech to strengthen its discovery and translational research programs in immuno-oncology and advance its portfolio of first-in-class immunotherapies toward their next development milestones.

The **Chammas & Marcheteau** team consisted of **Jérôme Chapron** (partner) and **Nessrine Berrad** (associate) on corporate aspects, **Aude Spinasse** (partner) and **Constance Parini** (associate) on intellectual property aspects, and **Coline Bied-Charreton** (partner) and **Emmanuel Corbel** (associate) on employment law aspects.
