

**Chammas & Marcheteau advises DeftHedge on
its acquisition by Diapason (Fintech/SaaS)**

Chammas & Marcheteau advised DeftHedge (legally named Deft Softwares Europe) in connection with its acquisition by Diapason, a leading provider of treasury and risk management solutions.

Founded in 2017, DeftHedge offers a SaaS platform dedicated to foreign exchange risk management, Forex automation and commodities hedging. Its solution is designed for business leaders, CFOs and treasurers who face daily volatility in currency and commodity markets. The company serves around fifty clients in France, Belgium and Switzerland.

With this transaction, the two SaaS platforms — Diapason and DeftHedge — now combine their complementary expertise to provide companies with a tailored response to their treasury and financial risk management challenges.

The **Chammas & Marcheteau** team consisted of **Stéphanie Bréjaud** (partner), **Vincent Lopez** (associate) and **Manon Richard** (trainee).
