

## Chammas & Marcheteau advises Supernova Invest on AI Verse's €5 million fundraising (Artificial Intelligence/Deeptech)

---

**Chammas & Marcheteau** advised Supernova Invest, lead investor in AI Verse's €5 million financing round, alongside Créazur, Innovacom and Bpifrance.

Founded in 2020, AI Verse is a company specialising in the development of synthetic data technologies for training high-performance AI models. These data are designed to replicate complex or sensitive environments, notably in fields such as robotics, autonomous systems, defence, industrial inspection and smart infrastructure.

This fundraising will enable AI Verse to accelerate the commercial deployment of its technology, strengthen its teams, and support its international development as the company enters a new phase of growth.

The **Chammas & Marcheteau** team consisted of **Lola Chammas** (partner), **Romain Penloup** (counsel) and **Bradley Alet** (legal counsel) on corporate aspects, together with **Christophe Moreau** (partner) on tax aspects, and **Coline Bied-Charreton** (partner) and **Ensar Tasci** (associate) on employment law aspects in connection with the due diligence.
