

**Chammas & Marcheteau advises the investors on  
Heliup's €16 million fundraising (Renewable Energy/Deeptech)**

---

**Chammas & Marcheteau** advised the new investors Supernova Invest, MAIF Impact, Lita and Crédit Agricole Alpes Développement, as well as the historical investors Starquest and BNP Paribas Développement in connection with Heliup's €16 million fundraising.

Founded in 2022, Heliup develops and markets ultra-light photovoltaic modules specifically designed for the rooftops of commercial and industrial buildings that cannot support the weight of traditional solar panels.

This fundraising will enable Heliup to accelerate the industrial deployment of its technology across Europe, turning millions of square meters of existing rooftops into new sources of clean energy.

The **Chammas & Marcheteau** team consisted of **Jérôme Chapron** (partner) and **Nessrine Berrad** (associate) on the corporate legal due diligence and the transaction. The legal due diligence also involved **Coline Bied-Charreton** (partner) and **Ensar Tasci** (associate) on employment law aspects, as well as **Eric Métais** (partner) and **Capucine Vitry** (associate) on real estate law aspects.
